

PRIME Centre Wales 4th Annual Meeting

26 November 2018

Treforest Conference Centre, University of South Wales

Registration open

You are invited to attend the PRIME Centre Wales (Wales Centre for Primary and Emergency Care Research) Annual Meeting 2018 being held at University of South Wales Treforest Conference Centre.

The event programme will feature PRIME Centre Wales' research on 'long term conditions and co-morbidity' and 'oral health and primary dental care'.

After lunch, parallel workshops will cover topics from 'Practical aspects of using SAIL in research' to 'Group concept mapping'. An elevator pitch-style session on research innovation and dangerous ideas will end the day. Not to be missed!

With limited spaces - book your tickets now!
